

FLEXSHARE - A JOINT OPERATOR INITIATIVE FOR FLEXIBLE PIPES

“To be a trustworthy arena for sharing flexible pipe experiences, so that all stakeholders contribute to risk and cost reduction for design and operation of flexible pipes.”

FLEXSHARE
VISION

WHY
FLEXSHARE?

- Experience-sharing among operators secures safe operation of flexible risers and flowlines
- FlexShare helps operators prevent downtime and extend service life of flexible pipes
- Participants get insights into other operators' incidents via shared experience base
